

LoadHandler Power® Products for Fleet Vans

12V, 220-Amp

The LoadHandler Power Products alternator line now includes coverage of the popular fleet workhorse – the Sprinter van – to offer 100-percent new, drop-in alternators that have been fully performance tested for increased service life.

LoadHandler Power Products alternators and starters offer a value- and solutions-driven line of rotating electrical products that are application tested for service-critical markets.

FEATURES	BENEFITS
Meets OEM Specs	Powerful, efficient design ideally suited to corresponding Sprinter van applications
Heavy Duty Front & Rear Bearings	Provides extended service life capability
Direct Replacement	Engineered to match OE design in appearance, fit & function
